

Impeach Bush and Cheney!

We, the undersigned American Citizens, do hereby petition the 110th Congress of the United States to begin immediate investigations into the crimes of the Bush Administration. Further, we demand that Congress should without delay embark on the impeachment process of both George W Bush and Richard B Cheney. This Administration sees itself above the rule of law and has continuously lied to and manipulated the American people about the war in Iraq. It has engaged in illegal surveillance, mass detentions (without judicial review), torture and signing statements that carve out exceptions to legislation. The 110th Congress has the power and obligation to return the United States to a Constitutional Democracy.

Your signatures will be delivered to Congressional leadership to tell them that Bush and Cheney deserve to be impeached for lying about the war!
